TRY OUTS AND THE DRAFT

2010 draft procedures will be as in previous years.

Below are some simple guidelines for the upcoming tryouts and they apply to both baseball and softball. More detailed information will be available at registration or call the player agent.

- **Players 10-12 years of age MUST tryout.**
- **All returning Major and AAA players must tryout.**
- **Players ages 8 and 9 MUST tryout if they wish to be considered for AAA or higher. Otherwise player will be placed on a team based on their age.**

Tryouts do not determine whether you will be able to play. They only determine at which level you will be placed.
