

# Cascade Little League Procedures

Title: Practice Scheduling Policy	Effective Date: January 1, 2009
-----------------------------------	---------------------------------

## Purpose

Set procedures for managers and coaches in setting practice fields and times.

## Procedures

1. Practice fields and batting cage time slots shall be made available and assigned to all teams.
2. Practice fields shall be set using a draft style selection process.
3. The assigned team shall have priority on their assigned fields once the practice schedules have been published.
4. A certificate of insurance must be obtained from the League Safety Officer before holding practices on any fields other than Cascade School District, City of Turner or Marion County.
5. Notification must be given to the Scheduling Committee before changing practice sites at Cascade School District, City of Turner or Marion County.
6. During regular season, league managers may schedule practice through league scheduler only.
7. League managers who schedule practices during regular season may lose field due to regular season game reschedule.
